SCHOLARS ACADEMY SUMMER SPECIALTY CAMPS 2017

Our educators are highly experienced and have a passion for teaching. The students are motivated and encouraged to build good work habits and self-confidence so that they form a life-long love for learning. The structure of the camp is deliberated meticulously to create a well-balanced experience that promotes academics as well as kindles the students' creativity and imagination.

The program includes weekly theme related projects, silent reading, outside play, yoga, dancing to music, math brain teasers, and young writer's workshops.

Every Friday will be "Pizza Day" for the campers.

SUMMER SPECIALITY CAMPS

Scholars Academy is pleased to offer fun-filled, exciting and educationally enriching camps during the summer months. All camps will be offered for children Kindergarten through Sixth grade.

Birds of Paradise (6/12- 6/16/17)

Campers will learn about different birds from around the world, prehistoric birds to modern day birds, birds of prey and domestic birds. They will compare the bodies and their special abilities.

Hidden Talent “The Lion King” (6/19-6/23/17)

Campers will explore their hidden acting and musical abilities through enacting “The Lion King”. They will create props for the different scenes and put a show by the end of the week.

Music Makes the World Go Round (6/26-6/30/17)

Campers will learn songs and dances from around the world including American Folk songs and International Folk songs. They will be encouraged to use different musical instruments to follow the rhyme.

Back Roads to California (7/3-7/7/17) (7/4 off)

Campers will gain knowledge about different cities, historical landmarks, beaches, forests, national parks and fun places in California including Disneyland and many more!

Let’s Go on A Safari (7/10-7/14/17)

Campers will take a virtual tour of the jungles in Africa and learn about the wild life while on their adventures

X-treme Science (7/17-7/21/17)

Campers will participate in various hands on experiments in small groups. They will learn about different scientific terms, methods and hypothesis relating to day to day science themes.

Out of this World (7/24-7/28/17)

Campers will learn about other planets, stars, galaxies in the universe and feed their curiosity about the extra-terrestrial life. They will also learn about famous astronomers and astronauts.

Krafty Kids (7/31-8/4/17)

Campers will make different crafts from around the world, such as pottery, basket weaving, knitting, tie and dye, batik prints, pin art and more.

Budding Artists (8/7-8/11/17)

Campers will use paint on canvas to create their own master pieces. They will explore abstract art, landscapes and portraits.

Kids in the Kitchen (8/14-8/18/17)

Through this camp, children will learn to make healthy food choices by being involved in preparing menus, simple snacks, entrees, and desserts. They will custom decorate a take home apron and will enjoy games involved around kitchen objects. Playing in the kitchen band is an added bonus.

From Trash to Treasure (8/21 - 8/25/17)

Our creative campers will use recyclable items to create usable objects ... Go green team!!!

A minimum of 8 enrollees are required for each camp. Each student must pick a minimum of four weeks during the summer program.

Our goal is to achieve a balance between having fun and learning. Apart from the above camp activities, time is also allotted for silent reading, outside play, yoga, dancing to music, math brain teasers, and young writer's workshops.
