

# SCHOLARS ACADEMY PRESIDENT'S CAMP

WEEK OF 2/21-2/24/12

## RAIN FOREST ADVENTURE CAMP

**Scholars Academy** is offering a week long President's Week Camp for students attending Kindergarten through Grade 6. The main idea of the camp is to provide a relaxed, enriching environment for students during the cold winter days. The **RAIN FOREST ADVENTURE** camp will focus on educating children about the environment of this amazing habitat. Many hands on activities combined with the knowledge of geographic connection, identifying products from this habitat that are used in our day to day lives, talking about the interdependence of its various living things, how it affects the water cycle and plays a vital role in the earth's climate control, and how societal decisions about technology and progress may impact the survival of various species inhabiting this valuable biome are some areas that will be covered in the camp

Rainforest themed arts & crafts, songs, quizzes, dances, music and games are included to make the camp a fun and upbeat experience for the campers. The schedule for the week includes plenty of time for yoga, indoor games / outdoor play, dancing to music, silent reading, story time, socializing, and more.
