

## SCHOLARS ACADEMY PRESCHOOL PRESIDENT'S WEEK

**Scholars Academy** is offering a week- long camp for children 3yrs through 5yrs old. The main idea of the camp is to provide a relaxed, fun-filled, enriching environment for students. This “Endless STEM Challenge Camp” will focus on STEM activities (Science, Technology, Engineering and Math) to keep little ones busy, and teach them the basics of STEM that they’ll need to succeed later in life. Your preschooler might just be the next best engineer, mathematician, astronaut or scientist. The STEM ideas are simple enough for preschoolers to try, and also offer tons of fun in a relaxed atmosphere. Art and craft activities are also incorporated with the theme of this camp.

\* **Camp activities will be offered to the current Scholars Academy Students at no extra charge.**
